On May 13, 1998, at 9:10 a.m., Reporting Officer contacted Centre County District Attorney RAY GRICAR concerning the ongoing phone calls from SANDUSKY to [redacted].

The most recent call was May 12, 1998, when SANDUSKY called and asked to pick up [redacted] on May 13, 1998, which [redacted], the mother, said OK. SANDUSKY said he would be there around 4:00 p.m.

Mrs. [redacted] had Reporting Officer paged at which time it was agreed that [redacted] would not be allowed to go with SANDUSKY.

On May 13, 1998, at 3:40 p.m., Reporting Officer and Detective RALPH RALSTON of the State College Police Dept. went to the residence of [redacted] in anticipation of SANDUSKY stopping by the residence around 4:00 p.m., to pick up [redacted].

At 3:55 p.m., a call was received at the [redacted] residence, the caller I.D. showed that the call originated from Penn State phone # [redacted]. The caller was JERRY SANDUSKY. According to [redacted], SANDUSKY asked if it was still OK to pick up [redacted]. [redacted] stated yes.

No I don't want you calling here for [REDACTED] need to think about this, let me call you if it's okay to pick [REDACTED] up

S: Maybe I worked him too hard

[REDACTED] Did something happen?

S: I don't think so

S: Do you want me to talk to [REDACTED]

[REDACTED] (repeated) I don't think it is a good idea if I decide I will call you

S: Should I let him alone?

[REDACTED] Yes

S: I'm sorry, good-bye

Several things were noted listening to the conversation between SANDUSKY & [REDACTED]

(1) SANDUSKY was very upbeat talking loudly when he first arrived, when he was told [REDACTED] couldn't go his voice became very low, in fact [REDACTED] mentioned to the look on his face was that of "a lost puppy."

(2) SANDUSKY didn't volunteer any information

Example: [REDACTED] What did you do the night [REDACTED] went with you?
S: Worked out

[REDACTED] had to ask explicit questions - whether [REDACTED] took a shower that night because SANDUSKY didn't respond when [REDACTED] said [REDACTED]'s hair was wet. SANDUSKY also didn't volunteer that he took a shower until [REDACTED] asked and he didn't say they took a shower together.

At 4:05 p.m., SANDUSKY left the [REDACTED] residence.

Upon talking to [REDACTED] about the first time she was aware that SANDUSKY had been at their apartment, [REDACTED] had indicated that SANDUSKY had come to the rear of the apartment that has the rear sliding doors. What is odd that there is nothing on the rear of the apartment building to identify the individual apartments. Mrs. [REDACTED] was concerned how he knew what apartment it was.

On May 13, 1998, at approximately 8:00 p.m., Reporting Officer was paged to call [REDACTED]. Upon calling her she advised the following:

[REDACTED] was currently at her residence and had mentioned that he talked to JERRY SANDUSKY at approximately 6:00 p.m. at Gill Field. SANDUSKY asked [REDACTED] how little league was going with no additional conversation.

What concerned [REDACTED] was that this was next to the field were [REDACTED] has little league practice.
